ABOUT US

G1 VIKALP is a forward-thinking company dedicated to revolutionizing the energy sector with sustainable, eco-friendly solutions. We specialize in the production and distribution of Bio Diesel, Green Energy solutions, and Bio Power systems that reduce dependency on fossil fuels while promoting environmental sustainability. Our commitment lies in creating innovative energy alternatives that are both economically viable and environmentally responsible. G1 VIKALP stands as a beacon of clean energy, delivering power solutions that align with the future of a greener planet.

OUR VISION

To become a global leader in clean and renewable energy by empowering communities with sustainable bio-based energy solutions and contributing significantly to a cleaner, greener, and energy-secure future.

OUR MISSION

To develop and promote the use of high-quality bio diesel and green energy technologies. To reduce carbon emissions and promote energy independence through bio power innovations. To educate and collaborate with industries, governments, and communities for a smooth transition towards renewable energy. To drive continuous innovation in clean energy and create eco-conscious solutions for future generations.
